FOR IMMEDIATE RELEASE — November 2026

Santa's Calling: Interactive AI Santa Calls Launch for Holiday 2026, With 100 Free Calls for Canadian Families

Oliver, BC — Santa is making house calls this holiday season, by phone. LCOR Canada today announced **Calls From Santa**, an interactive AI experience that puts the big man himself on the line: he greets your child by name, chats through the wish list, and leaves a keepsake recording families can keep forever.

Holiday pricing starts at $5.99 per call (regularly $9.99), on every call and add-on this season; premium Dec 21-25 slots are an additional $5.99:

- **A real, interactive call** - Santa says your child's name and follows the conversation naturally
- **A keepsake recording** - delivered to your account, kept forever
- **Add-ons** - Nice List Certificate and a Personalised Letter from Santa
- **Extras** - a Nice List checker and a free colouring book from Colour Me Now
- **Premium Dec 21-25 slots** - the week every family wants, an additional $5.99 per call, available by booking
- **Easy payment** - Interac e-Transfer, no card required
- **Canada and the US** - gift a call to a grandchild, niece or nephew anywhere

One hundred free calls. To celebrate the launch, LCOR Canada is giving away 100 free, personalised Santa calls this season - recording included, one per family, gone in the order they're claimed. Families can grab theirs at free.callsfromsanta.ca - no account, no card, nothing to pay.

> *"Every kid deserves to believe in the magic for as long as they can. A call from Santa makes that real, and the recording means families keep the moment long after the holidays are over." - Michael Lamb, Founder, LCOR Canada*
